

ASX Release

20 April 2020

Appointment of New Principal Contractor at S2

NEXTDC Limited (**ASX: NXT**) ("**NEXTDC**" or "**the Company**") is pleased to advise the appointment of Multiplex Constructions Pty Ltd ("**Multiplex**") as the Company's new principal building contractor at S2. This follows the termination of the Company's previous S2 building contractor, FDC Construction & Fitout (NSW) Pty Ltd ("**FDC**").

NEXTDC selected Multiplex to complete the closing phases of the S2 project having worked closely with it to successfully deliver NEXTDC's P2 project in Perth, with that facility being delivered ahead of schedule, to a high standard and with regard to safety first.

NEXTDC further notes that the replacement of its previous builder with Multiplex is not expected to result in any significant adverse impact to customers, billing activity, final S2 fitout works or costs to deliver the remaining S2 construction to completion.

Authorised for release by the Board of NEXTDC Limited.

About NEXTDC

NEXTDC is an ASX200-listed technology company and Asia's most innovative Data Centre-as-a-Service provider. We are building the infrastructure platform for the digital economy, delivering the critical power, security and connectivity for global cloud computing providers, enterprise and government.

NEXTDC is recognised globally for the design, construction and operation of Australia's only network of Uptime Institute certified Tier IV facilities, and the only data centre operator in the Southern Hemisphere to achieve Tier IV Gold certification for Operational Sustainability. NEXTDC has a strong focus on sustainability and operational excellence through renewable energy sources and delivering world-class operational efficiency. Our data centres have been engineered to deliver exceptional levels of efficiency and the industry's lowest Total Cost of Operation through NABERS 5-star energy efficiency.

NEXTDC's corporate operations have been certified carbon neutral under the Australian Government's Carbon Neutral Initiative, in line with *National Carbon Offset Standard (NCOS) for Organisations*.

Our Cloud Centre partner ecosystem is Australia's most dynamic digital marketplace, comprising more than 590 carriers, cloud providers and IT service providers, enabling local and international customers to source and connect with cloud platforms, service providers and vendors to build complex hybrid cloud networks and scale their critical IT infrastructure services.

NEXTDC is *where the cloud lives*®.
